

International Workshop on
**Energy Efficient Set-Top
Boxes & Digital
Networks**

International Energy Agency, Paris, France.

Draft Agenda 4-5th July 2007

Day 1 - July 4

SETTING THE SCENE

- | | |
|-------|---|
| 9.15 | <i>Welcome and Opening Address</i>
Mr Claude Mandil, Executive Director, International Energy Agency, Paris |
| 9.30 | <i>Set-top boxes:</i>
Alan Meier, Lawrence Berkeley National Laboratory, USA |
| 10.00 | <i>Categorising STBs - simple or complex?</i>
Hans-Paul Siderius, SenterNovem, Netherlands |
| 10.30 | <i>Coffee</i> |

SIMPLE SET-TOP BOXES

Moderator: Andre Bressard, EC DG-TREN (asked)

- | | |
|-------|---|
| 11.15 | <i>Achieving energy efficiency in simple STBs</i>
Paul Fellows, CEO, TVONICS
Other speakers to be announced |
| 12.15 | <i>Summary of National Programs & Test Methods for simple STBs</i>
Bob Harrison, UK Market Transformation Programme & Keith Jones, Digital CEnergy, Australia |
| 12.45 | <i>Lunch</i> |
| 14.15 | <i>Key elements of performance criteria for simple STBs</i>
Mark Ellis, International Energy Agency, Paris |
| 14.30 | <i>Discussion and Conclusions</i> |
| 15.30 | <i>Coffee</i> |

Cont/.....

TELEVISIONS

Moderator: Noah Horowitz, Natural Resource Defense Council

16.00 ***Update of TV Test Method***

Speaker to be announced

16.15 ***Proposed principles for energy efficient TV policies***

Katherine Kaplan, Energy Star, USA

17.00 ***How to specify energy efficiency in all TV modes***

Kevin Lane, UK Market Transformation Programme

17.15 ***Energy performance benchmarks for TVs***

Keith Jones, Digital CEnergy, Australia

18.30 ***Drinks***

Day 2 – July 5

COMPLEX SET-TOP BOXES

Moderator: Chris Baker, UK DEFRA

9.00 ***A roadmap for STBs in the future***

David Holliday, Sky, UK

9.40 ***The energy performance of current products***

Noah Horowitz, Natural Resource Defense Council, USA

10.15 ***The role of service providers and energy efficiency***

Terrance Smith, Austar, Australia

Cox Communications, USA, (asked)

11.15 ***Coffee***

11.45 ***How to improve the efficiency of complex STB***

Robert Turner, Pace, UK

Dave Clark, Scientific Atlanta, USA (asked)

13.00 ***Lunch***

Moderator: Melanie Slade, Australian Greenhouse Office

14.30 ***What would a coherent policy to maximize efficiency for complex STBs encompass?***

Matthew Armshaw, Bob Harrison, UK MTP, and Keith Jones, Digital CEnergy, Australia

15.00 ***How to ensure efficient home entertainment networks?***

Bruce Nordman, Lawrence Berkeley National Laboratory, USA

15.30 ***How to encourage service providers to lead energy efficiency?***

Chris Baker, DEFRA, UK

15.00 ***A policy for efficient complex STBs***

Katherine Kaplin, Energy Star, USA (or) Paolo Bertoldi, JRC, European Commission

16.30 ***Priorities for Action: panel discussion***

David Holliday, Katherine Kaplin, Noah Horowitz, Chris Baker, Mark Ellis, Alan Meier

18.00 ***Close***

18.30 ***Dinner***
