

Welcome to:

**Workshop on
Fuel Efficiency for HDVs Standards
and Other Policy Instruments**

**21-22 June, 2007
International Energy Agency, Paris**

The purpose of this workshop

- Bring together policy makers, technical experts, manufacturers and other stakeholders in Heavy Duty Vehicle transportation
- Exchange the latest information on policies to improve HDV fuel efficiency
- Share experience with fuel efficiency standards for HDVs, including in relation to effectiveness and test procedures
