

INDIA 2008

International Conference on Standby Power

2nd April 2008 (Day – 1)

9.00-10.00	Registration
-------------------	---------------------

10.00-11.00	Inaugural Session
	<p>Presentation of bouquets/lighting of Ceremonial lamp All Dignitaries</p>
	<p>Welcome Address Dr. Ajay Mathur, Director General, BEE</p>
	<p>Address by: Mr. William Ramsay, Deputy Executive Director, IEA</p>
	<p>Address by: Mr. Devender Singh, Joint Secretary, MoP</p>
	<p>Address by Chief Guest Mr. Anil Razdan, Secretary, MoP</p>
	<p>Vote of Thanks Mr. Saurabh Kumar, Secretary, BEE</p>
	<i>Tea/Coffee Break</i>

11.15-13.00	Session I Chairperson: Dr. Ajay Mathur, Director General, BEE
	<p>Progress of standards and labeling program in India Mr G. Pandian , Energy Economist, Bureau of Energy Efficiency, India</p>
	<p>Consumer electronics labeling program to address standby power in India Mr. Sanjay Dube, Senior Project Manager, ICF/CLASP, India</p>
	<p>Asia Pacific Partnership: standby power projects in the region Ms Anne Pellegrino, A/g Assistant Secretary, Energy Efficiency Branch, Department of the Environment, Water, Heritage and the Arts, Australia</p>
	<p>Questions for the Panel</p>

	<i>Lunch</i>
14.00-15.45	Session II: Reports of national standby power consumption and targeted policies Chairperson: Mr. Devender Singh, Joint Secretary, MoP
	United States Dr. Alan Meier, Senior Scientist, Lawrence Berkeley National Laboratory, USA
	Korea Mr Yung-Rae Kim, Manager, Energy Efficiency Management Dept. KEMCO, Korea
	China Ms Li Aizhen, Senior Engineer, China Standard Certification Center, China
	Questions for the Panel
	<i>Tea/Coffee Break</i>

16.00-17.30	Session III: Reports of national standby power consumption and targeted policies Chairperson: Mark Ellis, International Energy Agency
	Japan Mr. Kotaro Ohkuni, Energy Conservation Centre, Japan
	European Union Mr Stephan Kolb, DG TREN, European Commission (Delivered by Shailendra Mudgal)
	Australia Ms Simone Tiele, Energy Efficiency Division, Department of the Environment, Water, Heritage and the Arts, Australia
	Questions for the Panel
19.00	<i>Hosted Dinner</i>

3rd April 2008 (Day – 2)

9.30-11.00	Session IV Chairperson: Mr. Suresh Khanna, Secretary, CEAMA, India
	Consumer electronics industry approaches and initiatives for standby power and energy efficiency Peter Robertson, Consumer Electronics Association (CEA), USA
	The international standby power test method – IEC62301 Lloyd Harrington, Energy Efficient Strategies, Chair of IEC WP5
	Brazil Alexandre Novgorodcev, INMETRO, Brazil
	Questions for the Panel
	<i>Tea/Coffee Break</i>
11.20-12.45	Session V Chairperson: Dr. Alan Meier, LBNL, USA
	Standby power in European equipment Mr Shailendra Mudgal, Bio Intelligence Service, France
	International initiatives to track standby power consumption Lloyd Harrington, Energy Efficient Strategies, Australia
	Questions for the Panel
	<i>Lunch</i>
14.00-16.30	Plenary Session Director General, Bureau of Energy Efficiency and others.
	Presentation by CEAMA, India Mr. Suresh Khanna, Secretary, CEAMA, India
	Reducing standby power in networked appliances Jim Wallace, Director, Segment Marketing, ARM
	How to meet energy efficiency standards? Balu Balakrishnan, CEO, Power Integrations
	Establishing a Standby Power target, and policies to get there Mark Ellis, International Energy Agency
	Questions for the Panel & Closing Statements
