

***Expert Round Table on Energy Efficiency Indicators in the
Residential Sector***

28 and 29 September 2009

FASI, 11 Brusov pereulok, Moscow

Draft Agenda

DAY 1 – Monday September 28th, 2009

9:00 **Registration**

9:30 **Welcome/Objective of the Workshop**

*Boris Reutov, Deputy Head of Department for Energy and Effective Technology,
Federal Agency for Science and Innovation (FASI)*

Alexander Surinov, Deputy Head of the Federal State Statistics Service (RosStat)

Jean-Yves Garnier, Director of Energy Statistics Department, International Energy Agency

SESSION 1: Setting the Scene

Chair: Boris Reutov, Federal Agency for Science and Innovation (FASI)

10:00 – 10:45 **Why energy efficiency indicators?**

*Nathalie Trudeau, Energy Analyst on Indicators, Energy Technology Policy Division (ETP),
International Energy Agency*

10:45 – 11:30 **What can we learn from energy balances in trying to understand energy efficiency trends?**

What can we not see from energy balances?

*Olivier Lavagne d'Ortigue, Energy Analyst on Indicators, Energy Statistics Department,
International Energy Agency*

11:30-12:00 **Coffee break**

12:00 – 12:30 **Indicators needed to understand energy efficiency trends in the residential sector**

Nathalie Trudeau, Olivier Lavagne d'Ortigue (ETP & ESD), International Energy Agency

12:30 – 13:30 **What is the current situation in Russia in terms of data availability and indicators for the residential sector?**

*Ms. Elena Burdenkova, Director, Department of Services, Education and Cultural Statistics,
Federal State Statistics Service*

*Alexander Dronov, Head of Department, Ministry of Regional Development of the Russian
Federation*

New Russian Building Standards: Indicators of Energy Efficiency

*Yury Matrosov, Head of Laboratory for Energy Savings and Thermal Insulation of
Buildings, Construction Physics Research Institute (Moscow)*

13:30-14:30 **Lunch**

SESSION 2: How to collect the data needed

Chair: Ann Eggington, Director, Office of Global Energy Dialogue, International Energy Agency

- 14:30 – 15:15 **Surveys: Why and how? Advantages and limits. Example of Canada**
Michel Francoeur, Head of Division, Natural Resources Canada
- 15:15 – 16:00 **Metering: Why and how? Advantages and limits. Example of Sweden**
Egil Öfverholm, Project Leader, Swedish Energy Agency
- 16:00 – 16:45 **Modelling: Why and how? Advantages and limits. Example of United Kingdom**
Julian Prime, Energy Statistics Analyst, Department of Energy & Climate Change, UK
- 16:45 – 17:15 **Examples of (current or planned) related initiatives in Russia : Surveys, metering and modelling?**
Tour de Table of Russian participants

DAY 2 – Tuesday September 29th 2009

SESSION 3: A focus on two main end-uses

Chair: Alexander Goncharov, RosStat

- 9:30 – 10:15 **From Energy-Efficient Engineered Equipment to Energy Efficiency in Russian Buildings**
Alexander Naumov, General Director JSC "TERMEK" and Vice President of AVOC - Association of ventilation cooling and conditioning
Heating / Cooling: Options to develop reliable data on heating/cooling consumption in buildings
Jens Laustsen, Energy Analyst (SPT), International Energy Agency
- 10:15 – 11:00 **Appliances: The example of energy consumption of refrigerators**
Kevin Lane, Consultant, Oxford University, UK
International project "Standards and labelling to advance energy efficiency in Russia"
Gennady Smaga, Technical Director, RUSDEM
- 11:00-11:30 **Coffee break**

SESSION 4: The Way Forward for Russia

Chair: Jean-Yves Garnier, Director of Energy Statistics Department (ESD), International Energy Agency

- 11:30 – 12:00 **The Law on Energy Efficiency: What next?**
Remir Moukoumov, Advisor to State Duma Deputy of the Russian Federation
- The Way Forward from an Industry Perspective**
Valentin Ivanov, Head of Working Group, Committee on Energy Policy of the Russian Union of Industrialists and Entrepreneurs

- 12:00 – 12:30 **Implementation and Policy Thinking**
*Stanislav Dorjenkevich, Deputy Head of Department for Energy Policy and Energy Efficiency,
Ministry of Energy of the Russian Federation*
- 12:30 – 13:00 **Russian State Residential Renovation Fund: Achievements to date**
Vladimir Lukin, Deputy Director of Expert Department, Russian State Residential Fund
- 13:00 – 14:00 **Round table: The relevance of international best practices on energy efficiency
indicators for Russia: The way forward**
Round table discussion
- 14:00 **Lunch**
