# GEF Global E-Mobility Programme

## Charging and Grid Integration Working Group

## Webinar – EV Charging and Grid Integration Tool

**Thursday, 15 December 2022, 11H00 – 12H30 CET**

International Energy Agency

| Thursday 15 December (Central European Time) | |
|---|---|
| **11h00 CET** | **Welcoming and Opening** |
| | • Jacques Warichet, Power System Transformation Analyst and Working Group Coordinator, Renewable Integration and Secure Electricity Unit, IEA |
| **11h10 CET** | **Introduction to the EV charging and grid integration tool** |
| | • Luis Lopez, Energy Analyst, Renewable Integration and Secure Electricity Unit, IEA<br>The Secretariat will introduce the project's objectives and development assumptions, the current and future plans for development. We will also present the feedback from the pre-webinar survey to start the discussion process. |
| **11h30 CET** | **Discussion** |
| | The Secretariat will open up the discussion and ask the participants to provide their feedback on, but not limited to, the following items:<br>- Additional points to make the tool more educational for the user<br>- Approaches to increase the utilisation of the tool. On-going projects or discussions in different countries where the tool could provide an added-value<br>- Suitability to the different users (e.g. policy makers, system operators, regulators, researchers)<br>- Possible additional features |
| **12h15 CET** | **Conclusion and next steps** |
| | The Secretariat will summarise the discussion and present the next steps in the development of the EV charging and grid integration tool. |
| **12h30 CET** | **End of webinar** |

**Personal Data Protection Notice for the EV Charging and Grid Integration Tool**

Please refer to the Data Protection Notice regarding Visitors to the IEA and IEA Event Participants available on the IEA's website for further information regarding the IEA's processing of your personal data for the EV Charging and Grid Integration Tool webinar taking place on 15 December 2022 (the "**event**") and your rights in relation to your data.

The IEA also wishes to inform you that the event will be recorded. The recording will be used for internal purposes only. The IEA is unable to edit the recording during the live webcast or after the event in order to obscure any participant's image.

The recordings may be potentially re-used for informational purposes for up to 5 years. Additionally, the recording will be available for public review for up to 10 years. All such material will then be archived at the IEA for an indefinite period of time. Only limited IEA staff have access to such archived recordings and photographs.

As mentioned in the notice, we may also contact you about future events that might be of interest. If you do not wish to be contacted about future events please send an email to gef.emobility.wg4@iea.org.

We may also share your personal information provided in the registration form with other GEF project participants in order to enable peer-to-peer knowledge sharing. Additionally, your personal information provided in the registration form can be used to prepare a list of participants that will be shared with other event participants. If you do not wish for your personal data to be used for the above purposes, please send an email to gef.emobility.wg4@iea.org.
